

This a fun crochet project that you should have no problems following. Its aimed at beginners without any experience though experts should enjoy this project too. Depending on your skill level, the dolphin may take a few hours or a few days, but thats not important. What is important is that you have fun and enjoy the tremendous satisfaction of creating cute amigurumi with your own hands in front of your eyes. I am so pleased to have finally finished it - a dolphin amigurumi pattern for everyone to enjoy! Its a very simple and fun amigurumi to make, so I hope everyone loves it!***Please Note: This pattern is available for free on my website, but since its just a long blog post I created this Kindle Edition version just for fellow Kindle owners like myself. Amazon wont let me charge less than \$0.99, otherwise I would have it be free. In the end if you still do decide to purchase... thank you so much!
