

Welcome back to Starfish Shores, Alabama, where the sands are white as sugar, the water a gorgeous blue-green, and love is in the spring break air despite a rainy forecast. After all, being trapped indoors isn't always a bad thing. **Best Laid Plans** By Tanya Michaels In college, Cassidy Hunt had a hot spring break fling with Starfish Shores local Jake Donovan--never anticipating that years later he would help her through a painful divorce and become a long distance friend. Now, on the verge of starting a new high-powered marketing job in Chicago, and on the verge of turning thirty, Cassidy is allowing herself one more steamy week with Jake. Except, this time, he wants more than a fling. Using his seductive powers of persuasion, can he coax her into returning his feelings? **Between the Rainbows and the Rain** By MJ Fredrick Melody Servantes, daughter of a career criminal, returns to Starfish Shores wanting to erase her past and show the people of the coastal town that she's made something of herself as the manager of one of the larger hotels. Sheriff Whit Calhoun remembers snapping cuffs on the dark-haired beauty years ago, when he was just a deputy. Now she's back and intriguing as hell. When a rash of car burglaries in hotel parking lots forces them to work together, will her past come back to haunt them both? **The End of the Rainbow** By Trish Milburn LeeLee Kern is a woman on a mission. In the wake of her ex-husband's betrayal, she's determined to make a better life for herself and her young daughter. That's why in addition to her full-time job at the Top Tier Bakery, she's also taking college classes and preparing to launch her own catering business. But when she loses her home in a fire, with all her catering equipment inside, her dreams seem reduced to ash. What she doesn't expect is to gain something even more precious -- a second chance at love with sexy, kind-hearted firefighter Heath Whittaker, just the balm her burned-by-love heart needs.
