

Luke Abbotts school is the losing-est school in the history of losing. And thats just fine for him. Hed rather be at home playing video games and avoiding his older brother Rob and the Greatest Betrayal of All Time. But now hes being forced to join the robotics team, where surely hell help uphold the schools losing streak. Hell also meet a colorful cast of characters, including: Mikayla, the girl who does everything with her toes; Jacob and Jacob, who arent twins but might as well be; the sunflower seed-obsessed Stuart; and Missy the Cruel, Lukes innocent-looking bully since they were six-years-old. But its an unlikely connection with a mysterious boy known only as Lunchbox Jones that will change Lukes life. Turns out, Luke and Lunchbox Jones have a lot more in common than just robotsWith nonstop laughs and enough heart to make even a mechanical robot shed a tear, Jennifer Browns new book is poised to secure her status as a middle-grade author to know and read.
