

Having completed his difficult journey, Jecosan makes it to his destination – the king's palace – but so does his enemy, whom he is yet to discover. Jecosan enters in service to the king as a kitchen worker, proving himself worthy of the task and more. Still, he has much to learn while looking to fulfill his purpose. Although court life is luxurious and splendid, it is also complicated, with its hidden laws and unspoken rules. King Alvard III is a young and ambitious monarch whose hot temper is only restrained by one fearless lord, and in the presence of his sister, Princess Arvelina. Seeking counsel from the magician Henky-Roo, the king orders for the ancient Book of Light to be stolen from the neighboring kingdom of Tirgan. Little does he know that in doing so he may destroy his own country and people. Reports of a mysterious horseman being seen throughout the area thwarting the army and deterring the plans against Tirgan only infuriate the king. The Palace is Book 2 of The Adventures of Jecosan Tarres trilogy. Book 1, The Journey, and Book 3, The Battle, are also available.
