

In 2003, Weekend Driver columnist Jack Brandais put his favorite drives together in a must have collection that will allow everyone from newcomers to natives to explore our diverse county and its intriguing environs. From Point Loma to Anza-Borrego Desert State Park, from Baja California's Guadalupe Valley to Huntington Beach, Brandais has found some of the best roads—paved and unpaved, twisty and straight. A true driving enthusiast, he really knows his stuff, whether it is the best type of vehicle for each drive, the type of scenery to expect, or about how long it will take to complete. Many of these drives originally appeared in the San Diego Union-Tribune's Weekend Driver column. They've been updated and expanded; each drive in the book includes complete directions, a map, photos, and tips for things to see and explore along the way. Jack's new collection of drives is in the Joyride Guru series of books. Check his author page for more information: [amazon.com/author/jackbrandais](http://amazon.com/author/jackbrandais)
